THE PREZ SEZ

Greetings for the month of November. Much to everyones relief, October 1st turned out to be a very nice day. The Hamarama was a huge success as those of you know who turned out. There were bargains galore to be had, as well as a very nice food stand in operation. Many thanks again to the committee, as this was an affair that the Club can be proud of and we will look forward to the first Sunday in October for years to come.

Remember fellas, there are only three months left to complete that project for Homebrew Night. Why not try to get it done for the January contest. To inspire some of you homebrewers, don't forget K2RIW will be our guest speaker in November. *Get your questions ready.

I would like to congratulate Chuck, WA3LNH and his Committee for the Club's nice showing in the June QSO Party. The Pack Rats finished second, though a little tricky to figure out. Though not originally planned as a Club contest, some of the largest scores were turned in by multi-operator stations. Multi-operator stations are a stimulation for the use of higher frequencies. A more detailed listing of the results would be nice, particularly above 1296 to show what is happening up there.

WA3LNH is also a group leader of a Moonbounce Project. At this point we are not sure the interest exists in the Club. The efforts of 6 to 10 dedicated Club members is required. If you have an interest in this type of project, please contact Chuck.

73,

K3BPP, Walt

TID BITS

Mort, WA3EPS, flys a Cessna Skylane around the countryside.

The "HAMS" sign on the main highway in front of the Warwick Fire Company attracted a number of motorists wanting to know about the "Ham Supper"! What! No beans?

Marsha, WA3TEM (Cheese-Bits Typist) ran the Hamarama Registration desk all day.

Same familiar calls seen at the Delaware Valley Radio Association Auction on September 15th - K3MXM, WA3BIV, K3WJB, K2OJL, WB2PQZ, W3CL and W3AEH.

Our condolences to an old friend BB Wentzel, W3HX on the recent passing of his XYL, Louise.

A late report from Gathersburg on October 22 -- over 5,000 registered. The morning rain didn't damper the spirits - many Pack-Rats attended. Ron, K3ZKO and Carl K3DLS went to the Hudson Div. Convention at Tarrytown, N.Y. the day before and then on to Gathersburg the next morning. Whew, what a drag!

HAMARAMA, 1972

Bright, clear, sunny Sunday, October 1st was a memorable event in the affairs of the Pack Rats. Probably the most successful event the club ever put on came off as smooth as clockwork at the Jamison, Pa. Warwick Fire Hall. 350 persons registered for the nice array of door prizes and 64 dealers and assorted hams registered for selling space, both indoors and along the fair midway-type of set-up just outside the building. The crowd was large enough for comfort and the job they did on the Ladies Aux. hotdogs, and hamburgs was very gratifying. The ladies of the Fire Company expressed their pleasure at dealing with so many good natured and friendly people. Most of the dealers and other sellers seemed happy with the action and the whole affair was capped off by a spirited auction conducted by K3JJZ who did an excellent job. What bargains!

An Affair such as this can only be a success if the committee pitches in to lend a hand wherever needed and the gang who either were appointed or volunteered for their jobs sure came through. Those straw hats, symbolic of the committee members seemed to be everywhere. Here is the list that is the official committee, but many others helped out as needed.

W3ZD, Chairman; K3GAS, Treasurer; W3HK, Publicity; WA3BIV, Secretary; K3UJD, Site and Building; K3ZKO, ATV Demonstration; K3MXM, Table Manager; W3HKZ, 6M Talk-In; WA3AXV, 2M Talk-In; Ticket Sales, K3IGX, W3TMY, WA3DJF, WA3NGK, K1SFF/3 Talk-In Ops, K3DLS, WA3HIT; A special thanks for the fine job at the registration by WA3TEM, Marsha ably assisted by her father, W3CL. Many others filled in with second jobs of parking cars when a hitch developed in this area. Any names left out are not passed over intentionally! Clean-up of the whole mess was taken care of in just 20 minutes and the fellow pushing the broom was the SCM of E.Pa., W3HK! A nice cooperative effort all the way around. The first Sunday in October has been selected for repeat next year and I will look forward to seeing many of our friends again.
